INTERESTS

Since I was tiny I had a camera in my hand documenting everything. To some this was annoying but for me it was amazing. I loved the idea of capturing a moment and seeing it in a new light. As well as videography and photography, I like going on adventures and trying out new hobbies. My main interest is skiing, as well as this I am and have been involved in other activities such as, horse riding, water polo, swimming, volleyball, figure ice skating and tennis. I am definitely that person that likes to try out a bit of everything.
